

Weddings at the Abineau Lodge

The Abineau Lodge is a full service wedding venue. We are licensed as a restaurant and a wine bar and shop. We carry full insurance for all events on our premises. While our building has the appearance of a residence it is a commercial venue on commercially zoned property, unlike many other residential type venues.

Our intimate dining room and bar seats 30, the adjoining wine cellar seats 20, and the enclosed porch seats an additional 10. To ensure sufficient space for the buffet, our maximum capacity for indoor buffet receptions is 50. For cocktail receptions we can accommodate groups of up to 65.

In warmer months, we have a tented pavilion and spacious grounds for outdoor receptions of up to 125 as well as a separate deck under the pines for dancing.

Wedding ceremonies can be held in the adjacent forest, on the south deck, in the front meadow, in the side yard or even inside, for very small ceremonies. Our ceremony package includes chairs and a rustic arbor set up at your chosen location. Rental for a ceremony, either alone or in combination with a reception, is for a 2 hour period with access to the indoor bar, bathrooms and parking.

Reception packages for a 4 hour period, include a full dinner or lunch buffet, non-alcoholic beverages, china, flatware, linens, glassware, serving ware, tables, chairs, staff, staff gratuity and sales tax, as well as additional tables for gifts, cake, and other needs. For outdoor evening events, our tented pavilion and dance deck are lighted. Electrical connections are available for DJs or sound systems.

We prepare all of our menu items in our kitchen and specialize in traditional comfort foods from around the country. Virtually everything we offer is made from scratch in small batches. The menu for your reception will be made specially for you, not premade and not prepackaged.

Unlike many other venues, you are invited and expected to come in early and provide and place your own decorations. We readily move wall hangings, art work, furniture and anything else that is movable in order to accommodate your personalized wedding theme or individual tastes. But if you prefer us to provide the decorating services, we can do that as well.

Another thing that makes weddings and receptions at the Abineau Lodge unique, is that we **guarantee** that your wedding will be the only one we host on your wedding day. Your wedding is special, and we assure you that no other party is waiting in the parking lot or on the side lines for you and your guests to vacate the premises. Our focus is on you, and you alone, on your wedding day!

Please call us or email us to arrange a tour or discuss details for your wedding.
